

LIBRARY TECHNICIAN INTERVIEW QUESTIONS

What do you see as the main priorities in your Library Technician role?

As a Library Technician you will have responsibility of the Library budget. How would you manage the budget and purchasing of resources?

Scenario One: Overnight there is a storm and when you arrive in the library there is water leakage to a shelf of books. A class is due in at 9:10 am for their class borrowing turn. Prioritise an action plan to deal with the situation.

Scenario Two: you are in the Library during lunch break and hear/see some students acting inappropriately in the Library. The teacher on duty has left the library to check on some students outside. What would you do?
